ARYAN WASI

Sharjah, UAE ● aryanwasidx@gmail.com ● 056 233 9323

PROFILE SUMMARY

I'm a student at Bath Spa University with nearly two years of experience in frontend development. I'm skilled in languages like C++, python, JavaScript, CSS, and HTML, along with tools like Tailwind CSS, GSAP, and Loco Motive. I'm also proficient in frontend dev and have experience with WordPress, Figma, and Photoshop. Throughout my journey, I've actively developed numerous frontend projects, honing my skills and creativity in crafting user-friendly websites. Beyond coding, I'm comfortable with Microsoft Word and Excel, and I enjoy video editing in my spare time. I'm passionate about creating user-friendly websites and always eager to learn new skills.
